

# Labrador Rescue (North West Area)

01257 452500

## Adoption Application Form

If you would like to be considered to adopt one of our dogs you will need to complete this form and either email it to us or, print the form and send it to us by post. Also, please visit the 'Adopting a Labrador' section of our Website to review the adoption process.

It is important that you fully complete the form and give as much information as possible in your application as this allows us to not only assess your suitability for the adoption of a Labrador but also helps us to make sure we find you the most suitable dog for your needs and circumstances. Once we have received your application, you will be notified so please ensure your contact details are accurate. Calling a mobile phone number is too expensive for the rescue and will only be done in an emergency. Normal contact will be made via landline or email. All prospective adoptors will be home and/or vet checked.

If, in the meantime you acquire a dog elsewhere, please let us know so we can remove you from our waiting list.

### Your Details:

Mr  Miss  Mrs  Ms  Other
