

Animal Sponsorship

There are times that we take in dogs that need a lot of long term care or medication. A regular commitment on a monthly or weekly basis to be used towards the needs of a specific dog would help to pay the costs involved in the long term care of the animal, releasing much needed rescue funds for the care, treatment and re-homing of others.

If you have seen a sponsorship appeal on our Website and would like to help, please complete parts one and two of this document. Part one should be sent to the rescue to make them aware of your sponsorship - part two should be sent directly to your bank.

Any regular donation, no matter how small will help a needy animal needing long term medical treatment and be gratefully received by all concerned..
